*Welcome to BG's Boathouse restaurant. Opened in 1978 by our parents, Bruce ("BG") and Joanne Graves, we have been preparing fresh lobster and seafood on the seacoast for 31 years. Our food is always cooked to order. We have outdoor dining on 2 decks overlooking our marina on Sagamore Creek. Our indoor dining room is air-conditioned or heated depending on New England weather. We also have a lounge where the full restaurant menu is served. Our establishment is completely smoke free. A customer docking space is available in our marina for guests coming by boat.
